With your help and generous stewardship in 2018, we'll be able to build upon the following powerful ministries and support UCM's many other activities:

Sunday Morning Worship

Every Sunday Rev. Joan Javier-Duval and other visiting ministers and speakers inspire us to be love leaders in the world and in our communities through our thoughts and

actions.

Your gift will support Rev. Joan and the entire ministry team as we

seek to expand our Sunday worship experience to serve our growing community.

Music Ministry

Whether it is the beautiful contribution of the choir or one of the many other highly-skilled musicians who grace our sanctuary, we couldn't do it without the generous gifts of the congregation.

Your gift will support our dynamic, uplifting music ministry.

Spiritual Growth for All Ages

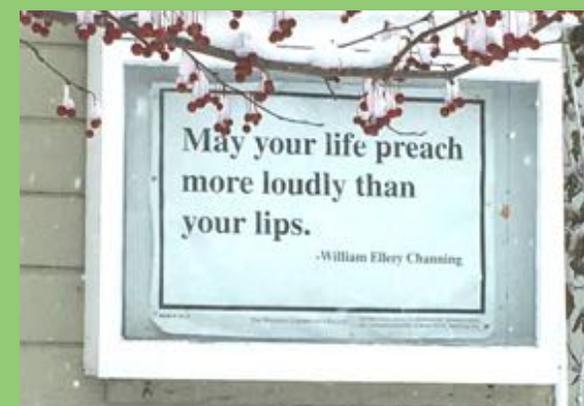

In our recent 'RE-envisioning' process, the importance of multi-generational connection was highlighted and we are in the process of revamping the RE program for our children and youth, expanding our offerings for adults, and seeking to upgrade our RE staff (to full time) to meet the challenge!

Your generous gift will help to meet our personnel, curriculum, and materials needs for a very active and effective RE ministry!

Community and Justice Ministry

- Our delicious and popular community lunch continues to serve over 130 community members each week! That's a ministry that takes a lot of resources!
- Our church is a hotbed of justice-seeking activity! Whether it's working with youth, planning our next love-based action, picking up trash, or finding ever more ambitious ways to #getwoke, you have the power to shape and transform your community and world right here!

Your generous gift will support the causes housed by our church and committees to advance the work of love and justice in our world!

Thank You!
